**Subject: 2022 ASRI Ground Station Administration (AGSA) VHF Voice Service and FCC Regulatory Fee Notification**

Dear ASRI Customer:

Aviation Spectrum Resources, Inc. (ASRI) is the FCC licensee for aeronautical enroute air-ground radio frequencies, which are used to provide the Ground Station Administration (GSA) service. It has been proposed, and approved by the ASRI Board of Directors, to increase the 2021 ASRI Ground Station Administration (AGSA) VHF Voice annual service fees for 2022. The AGSA fees will increase from \$405 per frequency per year to \$413 per frequency per year. Annual customers will continue to be billed in advance, in January of each year. The following is for your comparison:

Description	2021	2022
AGSA VHF Voice Rate	\$405 per frequency per year	\$413 per frequency per year

In addition, the ASRI Board of Directors approved the following increase in **one-time** fees:

Year	2021	2022
Order Processing Charge	\$90 per license	\$95 per license
Temporary Authority License (while waiting on permanent license)	\$75 per frequency	\$80 per frequency

ASRI is anticipating the renewal of approximately 76 aviation ground station licenses in 2022. The 2022 renewal fees, for each 10-year aviation ground station license, will be approx. \$435 (which includes the \$340 Federal Communications Commission (FCC) fees (subject to change at any time by the FCC) and ASRI's one-time order processing fee of \$95). ASRI will notify all Customers in advance of their upcoming renewals.

Please inform your finance personnel, and any others that need this information for budgeting purposes, etc. **NOTE: Do not pay now. You will be invoiced in January 2022 for the new rate. Please wait and pay your invoice when received.**
