November 2022

Subject: 2023 ASRI Ground Station Administration (AGSA) VHF Voice Service and FCC Regulatory Fee Notification

Dear ASRI Customer:

Aviation Spectrum Resources, Inc. (ASRI) is the FCC licensee for aeronautical enroute air-ground radio frequencies, which are used to provide the Ground Station Administration (GSA) service. Due to inflation and increases in operating expenses, the ASRI Board of Directors has approved an increase to the 2022 ASRI Ground Station Administration (AGSA) VHF Voice annual service fees for 2023.

The AGSA fees will increase from \$413 per frequency per year to \$426 per frequency per year. Annual customers will continue to be billed in advance, in January of each year. The following is for your comparison:

Description	2022	2023
AGSA VHF Voice Rate	\$413 per frequency per year	\$426 per frequency per year

In addition, the ASRI Board of Directors approved the following increase in **one-time** fees:

Year	2022	2023
Order Processing Charge	\$95 per license	\$105 per license
Temporary Authority License (while waiting on permanent license)	\$80 per frequency	\$90 per frequency

ASRI is anticipating the renewal of approximately 72 aviation ground station licenses in 2023 and will notify all Customers in advance of their upcoming renewals. As markets continue to flash warning signs that the world is headed for a recession, ASRI is closely monitoring operating expenses and will notify Customers, accordingly, should the ASRI Board of Directors require any further rate changes.

The 2023 **renewal-only** fees, for each 10-year aviation ground station license, will be approx. \$340 (\$235 Federal Communications Commission (FCC) fees and ASRI's one-time order processing fee of \$105). The 2023 **renewal-modification** fees, for each 10-year aviation ground station license, will be approx. \$435 (which includes the \$330 Federal Communications Commission (FCC) fees and ASRI's one-time order processing fee of \$105).

Federal Communications Commission (FCC) fees are subject to change at any time by the FCC.

Please inform your finance personnel, and any others that need this information for budgeting purposes, etc. **NOTE: Do not pay now. You will be invoiced in January 2023 for the new rate. Please wait to pay your invoice until received.**
